

User Acceptance Testing (UAT) Guide & Test Matrix

Quality Assurance Plan & Functional Test Specification

Platform: Trainit Digital Operations & Talent Roster	Live URL: https://trainit.co.zw
Document Version: 1.0 (Release Candidate)	Target Audience: Client Project Leads, QA & Reviewers

1. Test Environment & Access Credentials

Role	Username / Email	Password	Access Scope & Target Workflows
System Administrator	admin@trainit.co.zw	Admin123!	Command Center, Talent Pipeline Intake, 100-pt Vetting Rubric & Scoring, Status Actions, Governance
New Candidate (Self)	Register at /register	Self-created	5-Step Apprentice / Associate Intake Wizard, Auto-Save Drafts, Live Progress Tracker, Stage 3 Onboarding
Demo Candidate	moosab@mail.com	Moosa123!	Existing Candidate Portal & Tracked Submissions

2. Test Suites & Verification Matrix

Test Suite 1: Brand Aesthetics & Responsive Navigation

Test ID	Scenario	Steps & Execution	Expected Result	Check
TS1-01	Brand Theme Palette	1. Open https://trainit.co.zw 2. Inspect headers, buttons, cards & footer	Deep Midnight Plum (#2A114B), Golden Amber (#FFCC00), and soft lilac (#F8F5FC) styling applied across all views.	☐ Pass ☐ Fail
TS1-02	Navbar Logo Sizing	1. Check top navbar emblem	Logo badge displays with generous breathing room and soft rounded corners without distortion.	☐ Pass ☐ Fail
TS1-03	Mobile Layout (<=576px)	1. View on mobile device or narrow browser 2. Toggle hamburger menu	No horizontal overflow. Responsive collapsible menu, stacked CTA buttons, and fluid tables.	☐ Pass ☐ Fail
TS1-04	Rich 4-Column Footer	1. Scroll to page footer	Displays multi-column layout with quick links (Services, Company, Account), email links, and copyright.	☐ Pass ☐ Fail

Test Suite 2: Authentication, Security & Password Recovery

Test ID	Scenario	Steps & Execution	Expected Result	Check
TS2-01	User Registration	1. Go to /register 2. Complete form + CAPTCHA 3. Submit	Account created, auto-logged in, directed to /dashboard, and Welcome email received from noreply@trainit.co.zw.	☐ Pass ☐ Fail
TS2-02	Sign In Authentication	1. Go to /login 2. Enter credentials	Access granted to appropriate portal (Admin Command Center vs Candidate Portal).	☐ Pass ☐ Fail
TS2-03	Password Reset Request	1. Go to /reset 2. Enter registered email	Success alert shown; 1-hour secure password reset link dispatched via email.	☐ Pass ☐ Fail
TS2-04	Complete Password Reset	1. Open reset link (/set-password) 2. Set new password	Password updated in database, confirmation email sent, user logs in with new password.	☐ Pass ☐ Fail
TS2-05	Soft-Lock Idle Resume	1. Leave session idle 3 mins	Session safely soft-locks to /resume requiring 3-char password verification to resume without data loss.	☐ Pass ☐ Fail

Test Suite 3: Candidate Intake Application Wizards

Test ID	Scenario	Steps & Execution	Expected Result	Check
TS3-01	Track Selection	1. Visit /opportunities 2. Choose Apprentice or Associate	Opens 5-step tailored wizard for chosen track.	☐ Pass ☐ Fail
TS3-02	Sticky Stepper Header	1. Scroll down long form sections	Top progress header remains sticky and compact with active step highlight.	☐ Pass ☐ Fail
TS3-03	Real-Time Progress %	1. Fill in fields in Step 1	Progress bar dynamically recalculates and increments in real-time as fields are filled.	☐ Pass ☐ Fail
TS3-04	Background Auto-Save	1. Type values & pause 2. Refresh page or return later	Data auto-saves in background with toast notice; reloading restores all entered values.	☐ Pass ☐ Fail
TS3-05	Skills Competencies	1. Select primary function 2. Add skills & rating	Skills filter dynamically by service function; custom skills can be added.	☐ Pass ☐ Fail
TS3-06	Document Uploads	1. Attach CV, Certificates on Step 5	Files upload securely and attach to application reference.	☐ Pass ☐ Fail
TS3-07	Final Submission	1. Check declarations 2. Click Submit Application	Status updates to Pending Vetting Review; Candidate receives confirmation with #APP-XXXXX; Reviewers alerted.	☐ Pass ☐ Fail

Test Suite 4: Administrator Talent Pipeline & Vetting Console

Test ID	Scenario	Steps & Execution	Expected Result	Check
TS4-01	Pipeline Roster Table	1. Login as admin 2. Go to /admin/roster	All applications listed with status badges, track tags, red-flag indicators, and AJAX pagination.	☐ Pass ☐ Fail
TS4-02	Filters & Search	1. Filter by track, status, search name	Table updates instantly via AJAX without page reload.	☐ Pass ☐ Fail
TS4-03	Candidate Dossier	1. Click Review Application	Full candidate dossier opens: profile, qualifications, work history, situational judgement answers, red flags, scoring rubric.	☐ Pass ☐ Fail
TS4-04	100-pt Vetting Rubric	1. Score across 5 dimensions 2. Click Save Assessment	Dynamic total calculated out of 100; assessment saved with confirmation toast feedback.	☐ Pass ☐ Fail
TS4-05	Interactive Status Buttons	1. Select Recommendation 2. Click Status Action Button	Application status updates immediately; Candidate receives branded notification email.	☐ Pass ☐ Fail

Test Suite 5: Stage 3 Statutory Onboarding & Compliance

Test ID	Scenario	Steps & Execution	Expected Result	Check
TS5-01	Onboarding Unlock	1. Set status to Admitted on Roster 2. Login as candidate	Stage 3 Statutory Onboarding action unlocked on dashboard.	☐ Pass ☐ Fail
TS5-02	Statutory Filing	1. Submit National ID, Tax, Banking, Code of Conduct	Details filed; Candidate receives confirmation; Admin and Billing alerted.	☐ Pass ☐ Fail

3. Domain Email Notification Architecture

Domain Account	Department / Role	Trigger Events & Notifications Handled
noreply@trainit.co.zw	Automated System Engine	Account registration welcome, password recovery reset links, security change alerts, internal intake alerts.
apprenticeship@trainit.co.zw	Apprenticeship Program	Apprentice intake submission confirmations (#APP-XXXXX), vetting updates, interview schedules.
associates@trainit.co.zw	Associate Specialist Division	Associate profile intake confirmations, assessment results, roster admission alerts.
jobs@trainit.co.zw	Talent Pipeline Desk	Real-time candidate submission alerts, reviewer queue notices.
admin@trainit.co.zw	Administration & Compliance	Stage 3 statutory onboarding filings, governance and audit log copies.
billing@trainit.co.zw	Finance & Disbursements	Alerts when candidate banking and tax registration details are filed.
hello@trainit.co.zw	Main Inquiries Helpdesk	Automated acknowledgments for general contact inquiries.
sales@trainit.co.zw	Commercial Desk	Commercial service inquiries submitted via /contact and /services.

4. UAT Formal Sign-Off

Role / Stakeholder	Name	Signature	Date	Decision
Lead QA / Tester	_____	_____	____/____/2026	☐ Accepted ☐ Conditional
Client Project Lead	_____	_____	____/____/2026	☐ Accepted ☐ Revisions Requested
Lead Developer	_____	_____	____/____/2026	☐ Approved
